CYCLING *Matters*

TO OUR PIONEERING CYCLISTS, THANK YOU!

Since 2013, Wycliffe's amazing cycle team has been riding in the annual 94.7km cycle challenge. That's a lot of ground covered to see Africa alive with God's Word in every language!

We simply want to say THANK YOU! Thank you for enduring many hours of tough training, defying physical challenges, and going the many extra miles on a road or mountain bike.

Riding for a Kingdom purpose makes you a pioneer! What is more, the impact of each ride keeps gathering momentum, as translation of the Bible continues beyond the cycle event.

Join our 2019 cycle team, as we ride in the Discovery 947 Ride Joburg event. If 94.7km is not for you, why not enter one of the other Discovery 947 events? EVERY cyclist counts as a pioneer in making God's Word come alive in **EVERY language!**

Event options:

- 9 November: Discovery 947 Kiddies Ride
- 9 November: Discovery 947 Mountain Bike Ride (8 km)
- 10 November: Discovery 947 Mountain Bike Ride (25km and 55km)
- 17 November: Discovery 947 Ride Joburg (94.7km and 40 km)

Ready to sign up? Go to **www.wycliffe.org.za/947-cycle-challenge** for the details and to join the team.

So who are we riding for this year? Read on for the big announcement, or go to our website for the video! (**www.wycliffe.org.za/947-cycle-challenge**).

LINKING CYCLONES TO CYCLING

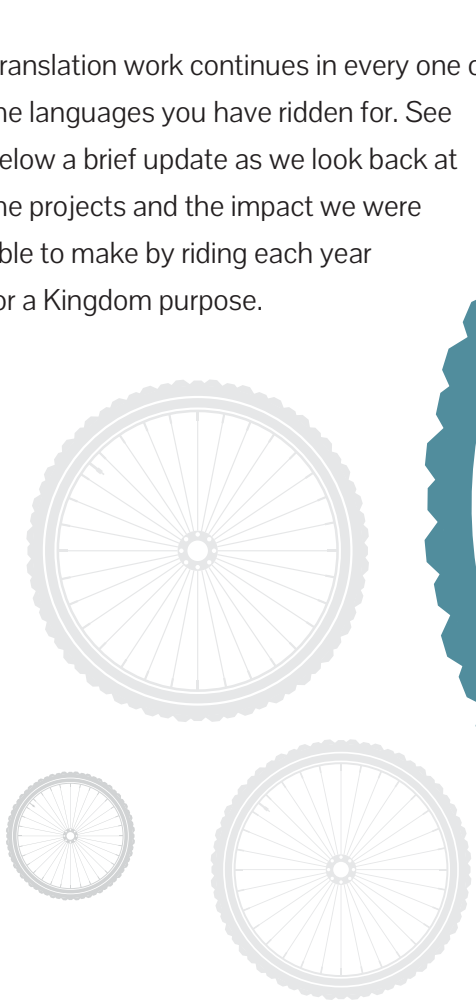

Deep in the heart of Mozambique is where the Makhuwa people live.

In March and April, cyclones Idai and Kenneth devastated parts of northern Mozambique. The eMakhuwa language communities were among those affected. Four languages form the eMakhuwa cluster project we aim to start with your help: eMakhuwani, eSaka, eMarrevoni and eXirima. Yes, that's right! This year we can have FOUR times the impact that we normally do, by riding for FOUR languages in one cluster approach to Bible translation.

PIONEERING CYCLE TEAM BEARS FRUIT

Translation work continues in every one of the languages you have ridden for. See below a brief update as we look back at the projects and the impact we were able to make by riding each year for a Kingdom purpose.
